### Reflecting on God's Word

The disciples were cowering behind locked doors. Fear has a way of imprisoning, away from the outer world, but also from our inner world, taking away our freedom to hope, imagine, and dream. We can become comfortable working in cramped spaces, isolated and unattached, removed from life and contact with others.

But then along comes the risen Lord, arms outstretched, heart wide open, bearing gifts to transform our lives. The first gift of the risen Lord is peace (*shalom*), which translates as all good things, physically, mentally, and spiritually—all that is needed to be alive inside. This peace is a gift that the world cannot give.

The second gift is a mission: we are sent, as Jesus was sent, by the Father. Where? To the world. "For God so loved the world that he gave his only Son, so that everyone who believes in him may not perish but may have eternal life. Indeed, God did not send the Son into the world to condemn the world but in order that the world might be saved through him" (John 3:16-17). Now the Son sends the disciples—us!—to bring life.

The third gift is the Holy Spirit, given for the forgiveness of sins. The Holy Spirit is the gift of the Father and the Son, given to us at baptism, again at confirmation, and whose gifts are given to the church and its members for the good of all, within and outside the church. Primary among these gifts is the gift of forgiveness.

*The gift of the Holy Spirit renews the earth. The Psalmist says: "You send forth your Spirit... and you renew the face of the earth" (Ps 103:30). The account of the birth of the Church in the Acts of the Apostles is significantly linked to this Psalm, which is a great hymn of praise to God the Creator.*

*Respect for creation, then, is a requirement of our faith: the "garden" in which we live is not entrusted to us to be exploited, but rather to be cultivated and tended with respect.*

Pope Francis
